All units will need to pick up popcorn on Friday OR Saturday.

They are asked to contact Suzette Dominique or Wayne Schuver Jr.

by email wayne.schuver@scouting.org

or (225) 926-2697 (Council Office)

to schedule a time you would like to pick up your popcorn.

**This will allow us to better accommodate
everyone from both districts.**

Once again, thank you for your commitment to the Scouting Program. We realize all the hard work involved in giving leadership to your unit's popcorn sales. If you have any questions on details call your District Executive.

Pick Up Tips:

Do not attempt to pick up product after or before distribution date without making arrangements with your Council's Popcorn Advisor.

Bring enough vehicles to carry entire product in one trip.

Have a copy of your order with you and bring someone with you to recount your entire order before it is loaded into your vehicle.

Allow the distribution staff to bring your product to you.

This avoids confusion on the count.
