Fishing is a Favorite Outdoor Activity for Scouts

Fishing with Scouts is an outdoor activity providing Scouts with fun, skills development, family participation and strongly supports for sound conservation awareness. Fishing receives very little support by most councils yet has great opportunity with minimal investment. Most camps offer marginal fishing programs and poor instruction. As a CAI you can make fishing a priority within your scouting world.

The CAI course is for Scouters (volunteer & professional) who wish to learn how fishing enhances Council, District and Unit programs, supports current and potential Merit Badge Counselors. Perfect also for Cub Scout, Boy Scout, and Venturing leaders, council properties committee and is a Fishing Camp School. If you want to learn how we teach fishing to Scouts this is for you. Seating is open for the first 32 anglers.
